STARDEW VALLEY SUMMER GUIDE FOR BEGINNERS

The Stardew Valley Fair is the highlight of the fall festival calendar for Stardew Valley. This festival allows you to show off your best farm produce at the Grange Display and be rewarded with Star Tokens, which can then be exchanged for a variety of prizes. After the relaxing Dance of the Midnight Jellies, the Stardew Valley Fair wants to keep you as active as possible. There's a variety of mini-games you can play and even a Fortune Teller. On this page: The Stardew Valley Fair is one of the most exciting festivals in the game, here are the time and location details: Date - 16th Fall Time - 9am to 3pm Location - Pelican Town Return to Farm at - 10pm Each Stardew Valley Fair offers you the chance to show off your best farm produce at the Grange Display. Competing against Pierre, Marnie and Willy, you can place up to nine products into your Grange Display box for Lewis to judge. Technically you only need to submit five items to the Grange Display to avoid dropping any points, but it's best to fill in every spot and collect as many points as possible. There are eight categories that you can submit items for: Animal Products Artisan Goods Cooking Fish Foraging Fruits Minerals Vegetables Place nine items in your Grange Display. It's a good idea to try and submit one item from each category, because having a variety of items will help increase your overall score. The quality of your submissions is also important, because the higher item quality, the more points you'll receive for it. For competing in the Grange Display, you'll be rewarded with a number of Star Tokens depending on where you place in the competition. First Place - 1,000 Star Tokens Second Place - 500 Star Tokens Third Place - 200 Star Tokens Fourth Place - 50 Star Tokens Disqualified - 750 Star Tokens If you fancy being disqualified from the Grange Display competition, then all you need to do is place a certain mayor's purple boxers in your box. This will upset Lewis, but he will pay you off to keep quiet, which I'm pretty sure makes this blackmail. Lewis will ask you to return his 'item' the next day, but, if you decide to hang onto the boxers, you'll be able to repeat this trick next year. You will never lose any friendship points from pranking Lewis. Once you're ready to have your Grange Display judged, go and tell Lewis. Ask Lewis to judge the Grange Displays and then wait for him to finish. It will take him some time to judge each box, so feel free to go and explore the fair. You'll get a notification once he's finished judging and you need to talk to him to receive your prize. With Star Tokens in hand, always remember to collect your items from the Grange Display box, because, if you don't, they'll be lost forever. You can also earn Star Tokens at the Stardew Valley Fair by competing in a variety of mini-games. There is a fishing mini-game, where you're rewarded for the number of fish you manage to catch before the time runs out, and a slingshot mini-game, which involves breaking as many targets as possible. The fishing and slingshot mini-games. If your pockets are full of cash, you can also purchase Star Tokens from the Token Seller. One Star Token costs 50g, so, while this is the quickest way to earn Star Tokens, it's by far the most expensive. Buy your Star Tokens here. The easiest, and cheapest, way to earn Star Tokens, however, is to bet them on the Spinning Wheel. The Spinning Wheel dial has a 75% chance of landing on green, so the trick is to bet half of your Star Tokens on green and slowly collect as many tokens as you need. Just make sure you don't bet all your tokens at once. The Spinning Wheel dial will most likely land on green. One of the main goals in Stardew Valley is to complete the Community Center bundles or, if you're corporate minded, you can buy a JojaMart Membership. Fishing is a great way to earn money in Stardew Valley, especially if you decide to use crab pots and ponds. Throughout the year you'll also be able to take in a variety of festivals, including the Egg Festival, Stardew Valley Fair and the Night Market. Once you've collected enough Star Tokens, you'll be able to spend them on some prizes. The four items you can purchase are: ItemPrice Dried Sunflowers 100 Star Tokens Fedora 500 Star Tokens Rarecrow (Howl's Moving Castle) 800 Star Tokens Stardrop 2,000 Star Tokens Except for the Stardrop, you can purchase one of each item every year. With the Stardew Valley Fair completed, it's time for the spookiest event in the Stardew Valley calendar - Spirit's Eve! The Stardew Valley Fair is a festival that takes place on 16 Fall annually. Held in the town square, there is an array of activities to complete in this Stardew Valley occasion. A noteworthy event is the Grange Display in which you will get the chance to display the best crops you've harvested in the year, in return for a prize. To learn what you can get from the Stardew Valley Fair and how to win first place in the Grange Display, read on. If you want to read up on the other festivals in Stardew, here's our Stardew Valley Luau guide for everything regarding the Luau. Stardew Valley Fair Shop The currency at the shop is Star Tokens. These can either be bought directly at the token kiosk, or won through playing the games at the various Fair stalls. The player may also win tokens by taking part in the Grange Display. First prize in the display is 1,000 star tokens. Permanent Stock One of the rare Stardrops can be purchased here for 2,000 star tokens. The Stardrop is a limited item in the game that can increase the max energy of the player. It will be needed to complete the ultimate perfection quest and score 100% perfection on your playthrough. Another important item for sale is one of the 8 special Rarecrows, a collectible item in the game. The other permanent stock items are mostly decoration items, these being the Dried Sunflowers, Fedora and Light Green Rug. Rotating stock Triple Shot Espresso Pepper Poppers Glowstone Ring Hay x100 Mixed Seeds x24 Only one Stardrop per playthrough is on offer at the Fair. Stardew Valley Fair Grange Display To score maximum points in the Grange Display and win 1st prize of 1,000 star tokens, it is important to make sure you present items of the highest quality possible and items that belong to an array of categories. For example, it won't be enough just to place 9 iridium quality Fish on display as they all belong to the Fish category. For best results, try to have at least 6 items belonging to unique categories, the categories are; Animal Products (Milk, Goat Milk, Eggs, Rabbit Foot, Duck Feather etc.) Artisan Goods (Wine, Beer, Truffle Oil, Preserves, Cheese, Mayonnaise etc.) Cooking (This includes the Oil of Garlic and Triple Shot Espresso recipes.) Fish Foraging (this includes Flowers and Sap as well as Mushrooms and Vegetable Forage goods) Fruits Vegetables Minerals (including the most expensive mineral, the Prismatic Shard) If you have options to choose from for example, two different iridium quality vegetables, always choose the item worth the most amount of gold as you will get bonus points for expensive items used. Remember to empty the grange box after Mayor Lewis announces the winner, or you will not receive your items back. Stardew Valley Fair: Tips for Better Quality Items To get iridium quality fruit the fruit trees will have to be three years old. The fruit trees produce silver quality fruit after the first year, gold after the second and iridium after the third. Access to Deluxe Fertiliser is needed to grow higher quality vegetables, it can also be used when growing wild seeds to create higher quality forage items. Improving your fishing skill and simply practising is the key to obtaining iridium quality fish. If you catch one without the green bar on the fishing mini game slipping off the fish, you will receive a perfect score and the quality of the fish will be improved. Animal products will increase in quality if a good relationship is maintained with the animals, (this means feeding and petting them everyday unless you have an Auto Feeder and Auto Petter in the coops). Stardew Valley Fair Games The games all follow a carnival theme, and offer the player the chance to win more star tokens to spend. (Star tokens are only spendable at this event, when it is over the player's wallet will return to normal). The strength game is a timed bar that stops upon release of the player's pickaxe. If you manage to time it right and get the top of the bar, the strong man will award you with 1 star token. There is an exchange booth where you can purchase the amount of star tokens you want, if you wish to fast track your way to the Stardrop. There is also a fishing game, if you have a high fishing skill and are practised enough, it's an easy way to obtain extra Star Tokens. There is also a mystic hut where the oracle will read your fortune for you and a slingshot game that will award you for shooting moving targets with your slingshot. If you wish to earn tokens quickly, the Spinning Wheel game is a good way to do this. The wheel has a 75% chance to land on green and a 25% chance to land on orange. Due to this probability, it is recommended to always bet on green, but bet two thirds of your original pool of star tokens, so that in the event it does land on orange you can easily make up your earnings again. Now you have the tokens needed for the Stardrop, check out our Stardew Valley Alex guide to spoil his heart events and see which gifts he likes best. Stardew Valley Fair: Hidden Reward Other than winning the Grange Display or buying tokens outright, there is another way to achieve tokens quickly. If you haven't completed the mayor's 'Missing Shorts' quest yet you can place the mayor's pants on the Grange Display instead. Obtain the pants by achieving 2 hearts with Marnie first, this will grant you access to her bedroom where the pants are located. Pick them up and when the time to fill your grange box comes, place them inside. The mayor will get embarrassed and award you 750 star tokens to 'keep quiet' about the matter. Remember to empty the box after and you can keep the pants for future festivals or return them to the mayor if you wish. For more Stardew Valley content, visit our Stardew Valley Haley guide.
